Did you like our tinctures in test tubes? If so, try them out of a bottle at home in the company of relatives. Our branded flavor tinctures are an excellent **present for your close people or colleagues** from work, as well as **a souvenir from Cracow.**

*"Our creations are bubbling in flasks and test tubes.
And at our restaurant a life is bubbling".*

The name of our restaurant wasn't chosen by chance. The flask is the main tool of the alchemist, where substances are mixed, discoveries are made, and new combinations are born.

Our resto-bar is based on the principles of the alchemist - constantly looking for new recipes to surprise you with, Dear Guests!

At "Kolba" we combine various, unique ingredients **to create unusual signature cocktails**. We serve our 'experiments' in chemistry glassware, emphasizing the uniqueness of our cocktails with dry ice and suitable garnish.

Dear Alchemists, we invite you to try our cocktails. **Plunge into the world of magic and feel like real researchers!** Well, are you ready to embark on an unforgettable magical journey?
